I have been a faithful XM listener since the very beginning, I have enjoyed the quality programming and features exclusive to XM. I am so happy with XM radio that I no longer listen to regular radio. I look to XM for all of my news, sports, traffic, and weather in addition to music. I find it sad that petition 04-160 is trying to limit what I am paying to hear. I fully support XM and its programming and I urge the FCC to reject this petition.
Respectfully,
